

# iPad Login

If your child has a tablet and would like to use that instead of a chromebook, here is a list to make the transition easy.

As discussed, there are only a few programs or apps that your child will need to use for online learning...

Google Classroom (App on homescreen)

Clever (App on homescreen)

iReady (do **NOT** use the app on homescreen, **it's located in Clever** )

Boom Learning (located in Clever)

- **You will log into each of these apps using your provided email and password** (log in with username/password).  
Once you log in one time, the ipad should remember your credentials moving forward.
- Always allow apps to access your microphone and camera.
- Always activate accounts if prompted

## Google Classroom

Google Classroom is where you and your child will go to access online assignments and will also be a place to communicate with your child's teacher. **It is required for your child to use this app each day of remote/online learning**. Assignments will be listed in the 'Classwork' tab on the bottom of the screen.

## Clever

Some work assigned in the google classroom will be IReady or Boom Learning. **These will be found within the Clever app.** Click the app, and choose log in with username/password. Next, you will search for your school. Our school is "William B Tecler Elementary School." Then choose log in with google. Use your email and password to log in.

## iReady

iReady is a program that will provide specific lessons for your child to do each week that are based on their own academic level and progress. Eventually, the students will be asked to take a diagnostic assessment that will gauge their academic needs. There will be more information to come about this...

- Send in one (or two) disposable water bottles or a large reusable bottle each day.  
\*Due to safety reasons, students WILL NOT be able to refill their water bottles.
- Children will participate in a special daily (Art, Music, Gym or Media) in our classroom to ensure social distancing and staying within our cohort.
- Lunch will be provided from 11:00-11:30 daily, also within our classroom or outside.
- Masks **MUST** be worn at all times, but don't worry, we will have masks breaks within every hour to help our little ones adjust. We may also have some lessons outside where breathing will be much easier and safer. Please dress your child accordingly as we will have class and lunch outside as much as possible.

- Unfortunately, to help ensure safety for all, birthdays can not be celebrated with items sent in from home (at least until further notice). We will sing for birthday kiddos weekly on Wednesday Meets.
