

The Amsterdam Guidance Department is providing the following resources to support and prepare students in meeting their college and career goals. These resources are **optional** and meant only for student ***enrichment***. The lessons and activities will not be graded.

The **Naviance College, Career and Life Readiness Curriculum** offers online, self-paced learning experiences related to college, career, and life readiness for students grades 6-12. Lessons focus on six core themes:

- ***Self-discovery*** lessons help students understand their strengths and interests and connect them with their future goals.
- ***Success skills*** lessons are designed to equip students with the interpersonal skills they need to be successful in school and the workplace
- ***Support network*** lessons allow students to understand and identify the people who are available to help them succeed
- ***Career planning*** activities help students explore the careers that align with their strengths and interests
- ***College planning*** lessons provide context behind college fit and match and walk students through the college planning process
- ***Financial planning*** activities help students understand concepts related to budgeting, income, paying for college, and financial aid
