

Steps to Login to Clever with your personal device

Step 1 - Using your home device please go to www.clever.com/in/gasd

Step 2 - You will now login with either your GASD Google credentials or Clever QR Code.

Step 2 cont. - If you do not have your GASD Google credentials or a Clever QR Code please contact your child's teacher. Grades 3-12 will have to create a six digit number. Please write it down!!

GASD Google Login Credentials Example:
Student Example email: gasd.regill4011@gasd.org
Password: This is still the same from last year

Clever QR Code Example:

**If you do not have a camera built into your device, you cannot use this option.

Step 3 - Click "Get Started" and you will then be sent directly to your child's teacher page. From here you can access Google Classroom, i-Ready, and many other websites that your child's teacher wants him/her to use.
